

Cubbington C E Primary School

Our aim is as simple as ABC

Achieving, Belonging, Caring

Sports Premium Funding 2017/18

Physical Education is one of the foundation subjects of the National Curriculum. As exercise activates your brain, learning in other subjects will also gain from PE. Encouraging an enjoyment of physical activity is a responsibility we also have in response to health issues in our rapidly changing world. At Cubbington CE Primary School we recognise the importance of Physical Education in education and lifestyle.

SPORT PREMIUM FUNDING

Following the 2012 Olympics, the government decided to provide schools with additional ring-fenced funding for to enhance the long term Olympic legacy:

- **Providing further opportunities for all children to have access to high quality sports provision and,**
- **Enabling those more able in sports, a way of further developing their skills to ensure the country has a strong succession of future Olympians.**

This funding has allowed us to create some exciting developments which will benefit all children at school and those more able in sport. Working in collaboration with local providers and the local cluster of schools, we have always entered children into many sports competitions. However, with Sports Premium, we are now able to extend the competitions we can enter, and vastly improve the skills and outcomes of those children in our sports teams. We want Cubbington to not only provide an excellent sports curriculum, but also develop excellent sports teams at competitive levels.

Our aims are

- To increase sports participation at competitive levels for all children.
- To develop highly talented children in sports, who are able to secure more 1st, 2nd and 3rd places in competitive sports.
-

We feel that these areas are very much in keeping with the Olympic Legacy, and aligned to recent government initiatives and we hope you will join us in celebrating the impact the Sports Premium will bring about.

Academic Year: 2017/2018		Total fund allocated: £8840					
PE and Sport Premium Key Outcome Indicator	School Focus/ planned Impact <i>on pupils</i>	Actions to Achieve	Planned Funding	Actual Funding	Evidence	Actual Impact (following Review) <i>on pupils</i>	Sustainability/ Next Steps
