## **Equality and Inclusion Policy**

November 2023

### **Ethos**

We are proud to be a truly inclusive Church school and we aim to help our children develop as individuals, combining academic achievement, good pastoral care and spiritual development.

Our Christian Values are an integral part of the character of our school and are reflected in the daily life and work throughout the day.

We guide the children's moral and spiritual development in a way that reflects the school's Christian foundation.

Through excellent teaching we give each child access to an appropriate, broad, balanced and relevant curriculum.

We provide a secure, caring and stimulating environment in which children are happy, enabled as learners and fulfil their potential.

We build strong partnerships with parents and carers and we work hard to develop effective links with the community we serve. We continuously strive to improve.

### **Legal Duties**

At Cubbington C of E Primary School we welcome our duties under the Equality Act 2010.

The general duties are to:

- eliminate discrimination,
- advance equality of opportunity
- foster good relations

We understand the principle of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- \* age (for employees, not for service provision)
- \* disability
- \* ethnicity
- \* gender
- \* gender reassignment
- \* maternity and pregnancy
- \* religion and belief
- \* sexual identity
- \* Marriage and Civil (for employees)

In order to meet our general duties listed above the law requires us to do some specific duties to demonstrate how we meet the general duties. These are:

Publish equality information - to demonstrate compliance with the general duty across its function.

We will not publish any information that can specifically identify any individual or adult.

### **Gathering Information**

To do this we will need to collect data related to the protected characteristics above and analyse this data to determine the focus for our equality objectives. The data will be assessed across our core provisions as a school.

This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

Our objectives will detail how we will ensure equality is applied to the services listed above. However, where we find evidence that other functions have a significant impact on a particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Human Rights of the Child, the UN Convention on the Rights of People with Disabilities and the Human Rights Act 1998.

## Core Statements:

In fulfilling our legal obligations we will be guided by seven core standards:

Statement 1: All learners are of equal value.

Statement 2: We recognise, welcome and respect diversity

Statement 3: We foster positive attitudes and relationships and a shared sense of belonging.

Statement 4: We observe good equalities practice, including staff recruitment, retention and development.

Statement 5: We aim to reduce and remove existing inequalities and barriers.

Statement 6: We consult and involve widely.

Statement 7: We strive to ensure that society will benefit.

## Addressing Prejudice Related Incidents

We are opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fare less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur we address them immediately and report to the Local Authority using their guidance material. The Local Authority may provide some support.
